FUSION IP is moving...We're upgrading to a 6,100 SqFt building in the Goodyear Business Park in Irvine. FIP has out grown its current facility and it's time to upgrade...Please come by and check out the new facility when you have a chance.

We're going live at the new facility on 08/01/2008...our new address is...

FUSION IP

14 Goodyear
Suite 125
Irvine, CA 92618

This move was mandatory for the growth of FUSION IP...We now have much more room for our growing TEAM and we'll have a state of the art configuration center/ DEMO lab for future projects and partner proofs of concept.

Again, please come visit us to see for yourself...Contact your FUSION IP Account Manager to set up a date or just swing by at your convenience.

Thanks,

FUSION IP
